What are the Wisconsin Model Early Learning

Standards? The WI Model Early Learning Standards specify developmental expectations for children from birth through entrance to 1st grade. The standards reflect the domains of a child's learning and development. The domains include: Health & Physical Development; Social and Emotional Development; Language Development & Communication; Approaches to Learning; Cognition & General Knowledge. Each domain is divided into sub-domains which include developmental expectations, program standards, performance standards, & developmental continuum.

Winter Sing and Social

On Tuesday, January 19th we will be having a winter sing and social. All classes will be singing with cookies and hot chocolate to follow. The sing will start at 6:30 pm. Each Family should bring in 1 dz. cookies, bars, or muffins to share.

Winter Weather:

Please make sure your child has a winter jacket, snow pants, hat, snow mittens, and boots at school everyday.

Also a pair of slippers may be left here... please make sure they have a hard sole and completely fit the foot.

Field Trip: YMCA

On Friday, January 15th the 3-6 Preschool Class will be going to the YMCA for gymnastics. We are leaving at 9:00 am and will return by 11:30 am. The cost of the trip is \$6 per child and chaperones are free. Please have your child wear appropriate clothing for gymnastics – no jeans, rough edges, or jewelry. Chaperones are needed!

New School Calendar!!!

Included in this newsletter is an updated school calendar. Please note the days closed in August is NOT Aug.1 & 2 (that was last year). The new dates are August 31st and September 1 & 2.

Please watch for information on the opening of our new Kinder Class in our lower level!
